Users are directed to a page where they can send trade offers via messaging by clicking a button such as send trade offer. On this page, users can exchange detailed information about the items they want to exchange.
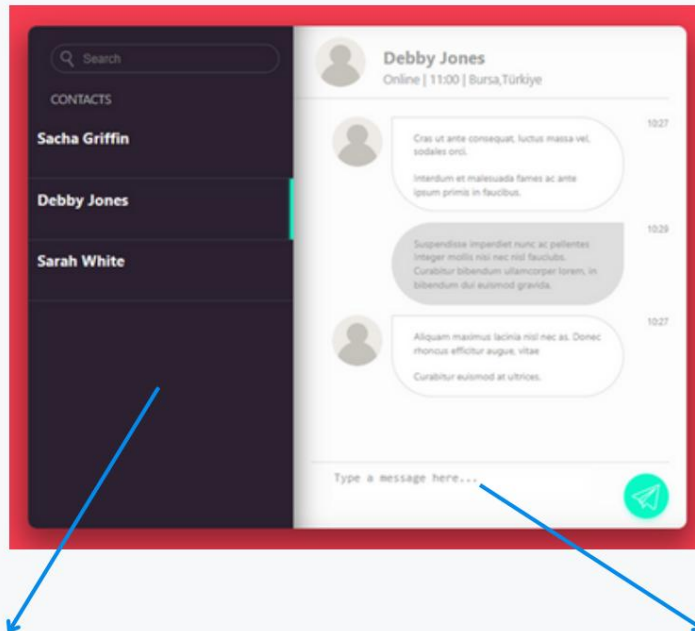

The "Contacts" section on the left side of the messaging page is a feature that allows users to easily communicate with other users they want to exchange. This part is a list of other users that the user wants to trade with.

After the message is written in the specified field, the send button is clicked to send it to the other party.
